Your letter of:	Your ref.:	Direct No.:
December 10, 2003	-	+4536186308

Subject: Microair Avionics T2000SFL Transponder.

With reference to your letter of December 10th 2003 the Danish Civil Aviation Administration hereby approves the T2000 transponder P/N T2000SFL-01-() for installation in aircraft registered in Denmark.

The approval is based on the German LBA JTSO Approval and the British CAA Approval. ~~These countries together with Denmark are members of the European Union and therefore~~ subjects to the European Aviation Safety Agency (EASA)'s Regulation 1592/2002, which states that an approval of product, part and appliances from one member state is valid in all member states.

The approval does not cover the task of installation in aircraft.

Yours Sincerely

Ole Christensen, M. Sc.(Eng.)
Airworthiness Division.
1. Department of Survey, DCAA
